

Welcome to Pima Elementary!

On behalf of the Pima PTO, we would like to welcome you and your family to the very special community that is Pima Elementary. Together we work towards excellence in education, a well-rounded experience for our children, and bonds of friendship that can last a lifetime.

What does the PTO do?

Parent involvement is one of the most important factors in the success of a school. The Pima PTO is a non-profit organization dedicated to an excelling environment where parents can join teachers and administrators in creating a campus that promotes learning and neighborhood pride. With tight school district budgets, the PTO is increasingly called upon to help finance more and more activities, programs, and campus improvements at our school. By supporting Pima's fundraisers, you help sponsor such terrific programs like *Accelerated Reading*, *Arts in Education*, PE Field Day, Red Ribbon Week, as well as help to provide computers, playground equipment, shade structures, art and music supplies, and much more.

Of course, we're not all work! The PTO coordinates several fun events throughout the year that bring our students, families, and staff together to enjoy our wonderful spirit of community.

How do I stay informed?

Complete our membership form and join our email list.

Continue to visit our website throughout the year. You will learn more about what our Pima PTO does, our school's upcoming events, SUSD news, and much more.

Watch for PTO news as well as other important school information in the weekly *Panther Prints*.

How do I get more involved?

Complete our membership form, choose from the volunteer opportunities listed at the bottom and join our email list. We also need committee members for planning our upcoming events. More detailed information can be found under the *volunteering* link.
